**Training objective is to refine project initiatives** for 2017 – 2018 so SMEs can make the most effective use of H2020 funding opportunities. Transform yourself into a great proposal developer and multiply your personal income as well as the organizations/clients you are involved

## Training will change your paradigm about proposal writing -

You will come back to your organisations as a master for the H2020 SME instrument, with advanced skillset to tackle real-life challenges, generate high impact and ensure financial support for your initiatives.

**Trainers will focus on open calls** - The program develops competencies and skills for initiating and implementing projects satisfying the highest quality criteria and understanding stakeholder issues ensuring high impact and sustainability. Practice the most advanced methodologies for the EU project management and leadership from project idea to follow-up.

The experiential learning methodology is designed to keep you in the growth zone after the training. This challenging programme is designed for professionals seeking excellence in the proposal writing for SME Instrument. But it will offer effective strategies and tools to those who wish to take part as partners in H2020. As the previous results demonstrated SMEs can use H2020 funding opportunities more effectively.

## Focus of the training will be:

- Funding opportunities for 2017-2018
- Strategies how to get EU Funding
- Project proposal writing
- Examples of successful project proposals

## What will you learn at this seminar?

- How to find and analyse adequate H2020 Call for Proposals
- How to write project proposal that will get the money, including key sections: Excellence, Impact and Implementation
- How does financed project look like examples of successful Horizon 2020 project proposals

### Who is this seminar for?

- Professionals from SMEs, micro enterprises, disruptive start-ups, business support organisations, innovation agencies, chambers of commerce, entrepreneurship associations...
- Who intend to submit SME Instrument proposals for the first time or intend to resubmit SME Instrument proposals

European Affairs Consulting Group

European Affairs
Consulting Group

## **LEAD TRAINERS**

**Sören Haar** is Managing Partner of the *European Affairs Consulting Group* (eacon) since its foundation in 2003. EACON is a public affairs company providing support for clients from the private and public sector in Brussels. Typical assignments include monitoring of EU policies and programs, including funding programs and public procurement, as well as lobbying and representation of clients towards the EU institutions. Before joining Euro P.A., Haar worked in the European Parliament (1996-1997), for the European Commission (1997-2001), for NGO consultancy

CENPO (1995), in the Council of the European Union (1994), for the international relations department of the University of Berlin (1992-1994) and for the public relations department of the social service of the German protestant church (DW) (1985-1987). Sören Haar studied law, political science and economic history in Göttingen (Germany), Aix-en-Provence (France) and Berlin (Germany). He published several articles and handbook contributions on European integration, lobbying, social protection and citizens rights. Haar is member of the *Society of European Affairs Professionals (SEAP)*, of the Deutsche Gesellschaft für Politikberatung (degepol), of the *Union des Fédéralistes Européens (UEF)* and of the European Commission's *Team Europe*. He is representing eacon in the European Public Affairs Consultancies Association EPACA. Since 2005 he is also a board member and teacher of the *European Institute for Public Affairs and Lobbying, EIPAL*, a training institute specialised in European Affairs.

**Boško Nektarijević, MBA,** Extensive experience in proposal preparation for numerous FP7 and H2020 successful projects in the EU, MED and Balkan countries. Writing proposals and implementing EU funded projects for 20 years. Former manager of EU Access, Balkan Security Network and currently leading the European Training Academy in Croatia. Principal designer of educational programs and trainer for more than 6000 people from all sectors (business, governments, scientists, NGO and political

leaders). Lecturer at the Business Academy (Cambridge International Business Studies); Coach at EASME for SME Instrument. Bachelor of Business Administration at Paris, France '99; MBA – Master of Business Administration at the SBS – University of Brussels '02; Executive education at Harvard University, USA '05.
